

IS CAR INJURY COMPENSATION MONEY HALAL?

بِسْمِ اللّٰهِ الرَّحْمٰنِ الرَّحِیْمِ
السَّلَامُ عَلَیْكُمْ وَرَحْمَةُ اللّٰهِ وَبَرَكَاتُهُ

There are conditions which if met would make taking compensation from a car injury permissible.

Firstly, the person making the claim has to be absolutely truthful and only state the facts.

Secondly, one must be claiming against a third party not against one's own insurance company.

Thirdly, as implied in the second point the third party must be at fault for the injury.

If these conditions are met then it is permissible to make a claim against a third party for personal injuries.

والله اعلم و علمه احکم واتم
