

CAN YOU TELL ME WHAT IS THE COMPULSORY AGE TO PRAY SALA? I HAVE PREVIOUSLY MISSED SALA FOR MORE THAN 10 YEARS, SO I WANTED TO KNOW HOW I CAN MAKE THEM UP BECAUSE I HAVE HEARD MISSED HAS TO BE MADE UP?

بِسْمِ اللّٰهِ الرَّحْمٰنِ الرَّحِیْمِ
السَّلَامُ عَلَیْكُمْ وَرَحْمَةُ اللّٰهِ وَبَرَكَاتُهُ

The compulsory age for Sala is when a child reaches puberty. So you would have to recall when that was, if you cannot then you must estimate being more precautionous in order not to miss any. For example if an individual is 18 and reached puberty at 13 then that means 5 years Sala is owed. Bear in mind a girl tends to reach puberty at a younger age than a boy and can be as young as 9.

If we take your example of 10 years then that would mean that you owe:

3652 Fajr

3652 Dhuhr

3652 'Asr

3652 Maghrib

3652 'Isha

3652 Witr (this is wajib according to the Hanafi School)

I would suggest having a counter and performing maybe 10 fajrs a day until you complete them, which would take just over a year. Then similarly with the others.
