

When a man has the urge to marry, is it wajib (necessary) for him to marry as soon as possible?

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ
السَّلَامُ عَلَيْكُمْ وَرَحْمَةُ اللَّهِ وَبَرَكَاتُهُ

The Shari'a does not operate in a vacuum the context is absolutely paramount when the fiqh is derived and therefore the fiqh will vary according to various circumstances.

For instance, under 'normal' conditions Nikah is Sunna. However, where an individual fears of committing sexual sins like keeping relations with the opposite gender or performing sexual acts then it is absolutely necessary that that individual marries.

وَاللَّهُ أَعْلَمُ وَعِلْمُهُ أَحْكَمُ وَأَنْتُمْ
